A 12-Step program to Develop Confident Quilters – Cathy

A Twelve Month workshop series based on the popular books *Open a Can of Worms* and *Another Can of Worms* by Debbie Caffrey.

Think you know everything about strip-piecing? Think again! This series offers new power cutting and precision sewing techniques that will improve your quilting expertise.

New to quilting? This is the perfect class to learn basic skills to create beautiful quilts as well as smaller projects for you or to give as gifts.

Month one begins with very basic skills. Each month that follows will add a new skill or concept. By the end of the series, our group will have covered all twenty-seven quilt patterns in the two books and will have become more confident, educated, and inspired quilters.

Workshop series will be held on every 2nd Wednesday of the month from 6 -8pm starting on January 13th. Cathy will be in the shop ½ hour before each class to help with fabric selection for those that need it.

Sign up for three months at a time. Book purchases required. Come join the fun and be a part of Cathy's 12-Step Club!
