Speaking of CHRISTMAS...

On the lighter side...

SOME OLDIES, but GOODIES!!!

There was nothing better than bee-ing a kid at Christmas time. Unfortunately, that wears off and sometimes the Holidays can be a little depressing.

Speaking of depressing...

Why was Santa's 'little helper' so depressed?

He had low 'ELF' esteem.

Speaking of elves...

What is the first thing elves learn in school?

The ELFABET.

Speaking of alphabets...

What's wrong with the Christmas alphabet?

It has NOel.

And what's the best Christmas gift you can give a kid at Christmas?

January is coming soon, which means it's time for our 7th annual **PAJAMA SALE!** (Keep watching, the date will be set soon!)
